

2021 Lift King 10/2-PS 'Prosumer' Service Hoist

Workshop Quality at a Realistic Price...

Our New High-Quality 4.50T 2-Post Service Hoist.

Do you like the idea of no hassles, high-quality finish, rich feature set and simple operation?

Then choose our mid-range model - and get everything the workshops demand - with cylinders made to ANSI standard - utilising high quality Italian seals.

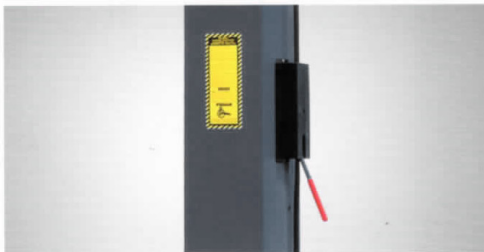

And, as a private buyer, you get something extra - our exclusive LIFETIME Structural Warranty, and our 3-Year Powerpack Warranty - at NO extra cost!

(Euro CE and Australian Certified)

Aust. Certified

COMMERCIAL TOUGH
Residential Simple

Easy, simple operation

Single-Point Manual Lock Release allows you to quickly lower both arms from one side of the hoist...

- Automatic Arm Restraints • Upgraded Locking Gears
- 3/8" Aircraft-Grade Synchronisation Cable
- Overhead Shut-Off Bar • Rubber Door Protectors

EXCLUSIVE FEATURE !

Flexible, professional configuration

Super-symmetric arms allow you to easily find pick-up points & to position the vehicle in symmetric or asymmetric positions.

Extra high carriages with self-lubricating UHMW Polyethylene Sliders reduce wear and strengthen the structure...

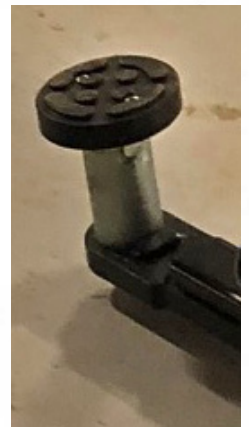

Dual Hydraulic Cylinders

Provide a no-hassle, chainless system - with less maintenance...

Stackable Truck Adaptor + Screw-Up Pad

Provide the lowest possible pad height (90mm) and highest lift height of 1930mm + Truck Adaptor

The screw-up pad system gives finer adjustment than basic stackable pads...

*** 240V (1-Phase) Configuration - convertible to 415V on request at additional cost...**
